## Introduction :

This fic is called "The Game Master" and it has Francine from *Fools Rush In* and Z from *Bad Kimi and Its Cupid, Stupid!* I love Chuckie the character so please don't mind if he's in it a bit to much. This fic is about the arcade having a contest, "The Game Master" and everyone wants to win, so they play, and play, and play the arcade games. Meanwhile, Susie and Kimi are stuck baby sitting.

**(Theme:**Every birthday my mom and dad would say, you another year older, another year wiser but I still go to school, to get an education I treat each and everyday like a miny vactaion! All Grown Up, I really want shout it out. All Grown Up, I want the world to know! All Grown Up with...YOU!!)

# Scene 1

**Starring: Chuckie, Tommy, Phil, Francine and Z, Susie, Lil**

**Chuckie** (at his locker, standing by Tommy and Phil): I wonder who'll win the Game Master Arcade Challenge (turns to get books out of locker).

**Tommy** : Ya never know Chuck. But Francine over there seems pretty worked up on losing.

*Tommy points across the hallway to Francine kicking her locker.*

**Francine**: I must win the Game Master Challenge...Errr...open locker! The faster I hurry up in school the faster I'll get to the arcade!

**Phil** : Man...she's scary when she gets worked up.

**Francine** (walks over to Chuckie, Tommy and Phil) : I shall win! To bad Tommy boy, and Philly, and Up-Chuck. Because your little friend's friend is helping me!

*Snaps her fingers.*

*A boy with spiky hair, a jacket and sunglasses walks over.*

**Chuckie** : (turns out of locker): Oh hello Z-Z? Z? Z? Z, your helping Francine? What about Kimi?

# Scene 2

**Starring: Francine, Z, Kimi, Chuckie, Phil, Dil, Kira, Susie.**

**Francine:** C'mon Z, let's go. We still have fifty-three more games to get a high score on.

**Z:** You got it Game Girl.

*(Kimi walks toward Chuckie, Tommy and Phil).*

**Kimi :** Is that Z putting his arm around Francine?

**Chuckie :** Yeah looks like it Kimi, but let me promise you...we weren't involved!

**Kimi :** Chuckie! How could you do this to me?

**Chuckie :** Kimi-wait!

*(Kimi walks away).*

**Chuckie :** Great, now I got her mad at me.

**Phil:** Let's go were going to be late for science.

**Tommy** (running to class with Chuck and Phil) : Not that we want to learn about the cycle of an orange tree.

They stop at the door and walk in.

\*\*\*\*\*

"Susie, why should I baby sit Dill and his little pizza pals at Tommy's house?" Kimi said on the phone, sitting on her bed. She had, had a terrible day at school, Z and Francine, getting a D- on her orange tree report for science and now Susie wanted her to baby sit. "C'mon Kimi, it'll be fun! It'll lighten up your day, girlfriend." Susie replied on the phone. "Well...okay-" said Kimi. "Thanks," Susie started to hang up.... "But...only with you, Susie, well gotta go. Dad thinks he's created a sushi smoothie, ick!" Kimi hung up.

AT SUSIE'S.

**Susie:** Scraps! And I don't have any plans. Isn't there an excuse for this in the Friend Guide Kimi and I wrote the day after I detangled the gum out of Kimi's hair? No there isn't. I guess I'll just have to follow the code. I'm babysitting.

AT CHUCKIE AND KIMI'S.

**Kimi:** So, Susie and I are babysitting Dill and his pizza pals from his soccer team tomorrow night.

**Chuckie:** Are you sure your not bummed about Z and Francine, it TRULY isn't my fault, Kimi.

**Kimi:** Oh Charles, do get well, its very sad on how to got infected with liars-knee. Let's see if I can get that Devil Shaped arrow out of your knee, or maybe it was your head!

**Chuckie:** Hey are those my shoes? Hey did you go in my room? KIMI!

**Kira:** Calm down my china dumplings. Enjoy dinner.

**Chas:** So like I was saying, when I was five we went to California for the Thanksgiving, oooh the wonderful turkey and the cranberry...yum!

*(Chuckie and Kimi sneak up stairs with their plates).*

CHUCKIE'S ROOM.

**Chuckie:** Sometimes she gets me SO mad.

KIMI'S ROOM.

**Kimi:** You know he should just admit he lied!

NEXT DAY AT SCHOOL.

**Francine:** So Tommy, didn't see you at the arcade. To chicken to try aren't you? Is Tommy to busy crying to his Mommy?

**Tommy:** Francine, stop it with this stuff. I don't like it!

**Phil:** But she does have a point, why aren't you doing it Tommy?

**Tommy:** If she has a point its going to get smaller, I'm going to win that contest!

**Francine:** \*snaps fingers\* Come on Z, let's leave these Rugrats to talk about their plans.

**Lil:** Do we look like Rugrats? Do we crawl on the floor \*Lil imitates a rat, and Phil pulls her up by the arm\*.

**Phil:** Or maybe we do?

*(SCREEN TURNS INTO A RED BACKGROUND WITH A QUESTION MARK IN THE MIDDLE)  
(TURNS NORMAL).*

**Chuckie:** Sorry I'm late guys.

**Kimi:** Yeah me to.

**Chuckie:** Yeah you should be sorry! You were one second later than me!

**Tommy:** Okay, let's just be happy were all here okay? Now, I say after school we hit the arcade for some ultimate gaming!

**Chuckie:** I'm in.

**Kimi:** I'm out, I've got to baby sit.

**Dill:** Yes, she does, she's babysitting me, Louis, Jake, Alec...

*\*He and Kimi walk off, Dill still counting his friend with his fingers\*.*

**Chuckie:** Okay, well we better head to math, right?

**Tommy:** Uhhhh...YEAH!

# Scene 3

*\*Phil, Chuckie and Tommy take seats at the back of the class\*.*

**Phil** *\*whispering\** : Tommy, you so we still on for going to the arcade?

**Chuckie** *\*whispering back\** : You guys are going?

**Tommy** *\*whisper\** :Yeah, I wanna see if I can make Kimi and Z back together. I really don't like thee idea of Bad Girl Francine.

**Phil** *\*whisper\** : I know it kind of gives you the shivers *\*shivers\**.

**Tommy** *\*whisper\** : Well, maybe with our skills we can win and show Frannie and Z that were actually good gamers and maybe Z will think Kimi has a cool bro and go back with Kimi!

**Chuckie** : COUNT ME IN!

Ms. Guppy: Charles! Count you in on what? *\*gives the boys a strict smile\**

**Phil** : Uh oh!

ARCADE AFTER SCHOOL AND AFTER DETENTION.

**VOICE:** No, not Dill, Dill's friend, Kevin Swayson!

**Tommy** : Where's Kimi?

**Another voice** *\*miserably groans\** : Over here.

**Chuckie** : KIMI?

**The other voice (aka Kimi):** Yes Chuckie. I finally realized Dill's Pizza Pals and him eat pizza at the arcade, they have lotsa fun battling in hockey games with their two new game/pizza pals Francine and Z!

**Phil** : Eee...harsh.

**Susie** *\*runs to them\** : Kimi! Help now. Dil and his friends are throwing pizza, on you Dummi Bears jacket!

**Tommy:** Jazz alittle? That's it!

**Phil and Chuckie** : What?

**Tommy:** We gotta hurry! Phil and Chuckie, you refill on tokens. I'll keep on playing. We NEED to win Game Master.

**Chuckie:** Aye Captain Tommy, come on Phil!

*\*Tommy starts jumping up and down in a 3D Space Game\*.*

**VOICE (NOT DILLS FRIENDS OR DILL):** Hey Tom-Boy.

**Tommy** (pulls tickets off the game and smiles since he won): Oh hello Frannie.

**VOICE:** Its not Frannie. Its Franc-win now. We only have seven more games, don't we Zeus.

**Z:** Yeah, Game Girl.

**Tommy** (trying not to laugh) : Zeus? ZEUS!

**Z:** Yeah, I'm Zeus, now that's she Franc-win.

**Tommy** : Uh...see ya?

*\*they walk away and Chuckie and Phil come back\*.*

**Chuckie** : It took me ones month of allowance-

**Phil** : and me one chocolate bar and two cents-

**Chuckie** : But we got game tips!

**Tommy** : Tips?

**Chuckie** : The owner called them tips but their cheats. He said Francine and Z were using them.

**Tommy** : You mean Zeus and Franc-win. Okay... were going to cheat? That doesn't sound trustworthy. How about we use my idea... *\*tells them idea\** Places guys.

*Chuckie runs to prizes, Phil runs to a 3D game where your on a surfboard by Francine, Tommy watches him.*

**Francine**: Hurry up Phil! Zeus and I need to win this game.

**\*Z looks at game cheats\***

**Tommy**: Hey can I see that book?

**Francine**: No! Its uh- Z's secret diary!

**Z**: What?I don't keep a diary? To prove it, here Tommy look at it!

**Tommy** : "Game Cheats" nice title, CHUCK!

**Chuckie** (*looks at Tommy*) : OKAY!

*Tommy throws the game cheats to Chuckie and Chuckie catches it.*

**Chuckie** : Hey Mr. Prize Guy, I'm returning this Game Tips Guide for my friend.

**Prize Guy**: Here's you change token 100.

*Chuckie runs to Tommy.*

**Phil** *\*gets off game after he won\**:One hundred? That's enough tokens for the rest of the games!

*Angelica and Susie run over.*

**Susie** : We heard the plan!

**Angelica** : And we'd love to help. Here gives us some tokens. With us all we can maybe win!

BACK AT TABLE WHERE KIMI IS.

**Lil** : Relax Kimi. Z'll come back. Right after he did with Susie.

**Kimi** : Yeah right.

**Lil** : That pizza sauce spot on your pink Dummi Bears jacket is really distracting.

**Kimi** (*wearing jacket*): First I'm a loser since I need to get Z back...now I'm distracting? Hey Dill am I distracting.

**Dill** *\*smiles\** : Like always, sista!

**Kimi** : ERRR!!!

# Scene 4

**Kimi:** Dill, its not funny. Z actually wanted Francine more than me.

**Dill:** Whoa, dude that's like not, not funny its like really sad. I mean Francine is so weird she wants to be called Franc-win.

*\*Lil rolls eyes\**

**Kimi:** 'Point is I know you dislike me because I've been mean to you in the past years but please realize that just because I'm not as lucky as Tommy...I'm still a nice person. Kinda like Z.

**Lil:** And Chuckie.

**Kimi:** Yeah your right, just because I was feeling down in the dumps I blamed it on Chuckie...when he was trying to help me. I bet Francine talked Z into be her boyfriend.

**Lil:** YEAH! That's what Chuckie's been trying to tell you.

**Kimi:** Let's go.

**Dill's Friend, Peter:** I'm only a fourth grader but I think you could win the Game Master, but Francine'd beat you in the Fashion Contest.

*Kimi take off Dummi Bears sweat shirt.*

**Kimi:** Let's go!

GAMES AREA.

**Chuckie** *\*directing Tommy on racing game\**: Turn left...nooo...right...oh why couldn't they make it that you could see in the drivers helmet!

**Tommy:** Chuckie do you wanna be the one blind on a motorcycle for 5 minutes?

**Chuckie:** No. Left...right...

WHERE PHIL AND SUSIE ARE.

**Phil:** In Hawaii th mighty Hawaii hula dancers dance their hearts away...

**Susie:** That's not a song! Anyways I hope Lil is helping Kimi. And this isn't even a surf game in Hawaii!

**Phil:** Then where is it?

**Susie:** Never mind. Just get your tickets and let's go *\*Phil gets game over\** Oh looks like we beat Franc-win!

*Phil and Susie high-five.*

**Phil:** Were not together or anything.

**Susie:** Yeah I'm way to old for him!

WHERE ANGELICA IS.

**Angelica** *\*pounding on PICKUP button\**: Come on! JT pick up the microphone! Can this Sulky Boys game go any faster? WHAT! I lost? But I had picked up two CDs...outta twenty! *\*tears off tickets\** Ohh...scores...my screename...Angelitiki at..THE BOTTOM! Whoever created this-*\*checks the game label\**-backspace that...SonySulky Game Makers...you'll be hearing from my lawyer! *\*angrily stutters off\**

*Tommy whistled and Susie, Angelica, Chuckie, Tommy and Phil gathered up.*

**Tommy:** Okay...let's count our tickets!

*\*They count them\**

**Chuckie:** If my calculations are correct and my nerdiness is as much percent as my maths skills...only one more game!

**Angelica and Susie:** Sorry Pickles but we have to go...Singing Completion Test in City Hall.... But we'll be back at the Game Master ceremony *\*they leave\**

**Phil:** Um...I think my gaming buddies and Dill want to have a foodfight and get revenge with that guy dressed up as a mushroom...see ya! *\*leaves\**

**Tommy:** Its only you and I Chuckie. But the game's three player...

*Just then Z came. Francine was playing a race-car game.*

**Z:** Let's just say Zeus was to old for me and I found out that my Pizza Pals were really fourth graders that forced Francine to tell me they were cool. Anyone who listens to fourth-graders are un-cool. What can I do to win Boot-Girl's heart back?

**Chuckie:** HELP US PLAY THIS GAME!

Z, Chuckie and Tommy clicked their start buttons and were off racing some weird ocean dudes in the ocean in submarines. ZOOM, ZOOM!

**Tommy:** So...you just Z now?

**Z** (blasting an octopus): Just Z.

ZOOM, ZOOM!

**Chuckie:** I hope winning with Z will make her believe me.

**Z:** It will, trust me.

ZOOM...ZOOM...the screen went black.

**Tommy, Chuckie:** Huh?

Z smiled. Then it flashed colorful and spelled:

YOU WON!! HIGHEST SCORE!!

Z entered score name and clicked send. He tore off the tickets and they raced to the ticket stand.

**Prize Guy:** Turn in your Game Master scores...two more second left. THREE...TWO... Kimi jumped and grabbed score from Z and did a cartwheel to the stand exactly on one.

**Kimi:** Ahh...gymnastics.

A FEW MINUTES LATER.

**Prize Guy:** Winners are...its a tie! Francine tied with Tommy, Chuckie and Z.

**Francine:** What? I didn't win!

**Chuckie:** So...its a tie.

**Prize Guy:** According to the video cameras, you guys showed up at the same time. But Kimi handed me the Z, Chuck and Tommy score first...so they're our winners!! Francine, you get a free picture with our guy in the mushroom....Anyways meaning there are three of you on a team...three trophies!!! And All three of you guys' faces on all the games! Z, Chuckie and Tommy high-five.

**Z:** Here Kimi, you won more than me. You beat Francine, you deserve my trophy. (YOU HEAR "AHHHHH" IN A LOVING WAY).

**Kimi:** Thanks. Anyways, Chuckie, I'm sorry. I was just frustrated things weren't working out for me...

**Chuckie:** Apology accepted.

A WEEK LATER.

(AT LOCKERS AT SCHOOL).

**Nicole:** Nice picture on the games, was that right when you got the braces because you looked like you tasted something sour.

*\*Chuckie blushes\**

**Tommy:** Anyways, we won, Francine's destroyed, Z and Kimi are back together.

LIL RUNS DOWN HALL

**Lil:** Gregory, wait!

**Gregory:** Sorry Lil, I agreed to help Francine in the Cooking Contest.

**Lil:** Chuckie, Tommy, Z, Phil, Kimi you in?

**The ones she asked:** NOT AGAIN!!!

FRANCINE WALKS AWAY WITH GREGOR.

**Angelica** \*on phone\*: You made it so I can't win on the game? YOU! LAWYERS COME OVER HERE! \*accidentally hangs up\* Hello? Hello?

*\*THEE END FLASHES ON THE SCREEN\**

*Clapping is heard.*
